And would you treat your children like lab rats?!?

Above pictures taken from The Department of Education's "Promoting Grit, Tenacity, and Perseverance: Critical Factors for Success in the 21st Century"

But your "benevolent" Government IS!!!

It's high time "We The People" stood our ground, and took back Our Government!

Sign The Petition, Today!!!

A very small group of unelected officials changed our educational standards. In 2010, the Massachusetts Board of Elementary and Secondary Education (BESE) chose to adopt Common Core standards without the knowledge and approval of parents, teachers, local school committees, and/or the state legislature. We now need 10,000 more new signatures by June 22nd, 2016. Please help us to repeal this "Abuse of our children's future"!

If you are a registered
Massachusetts voter,

Doing your part. This is how our republic is supposed to work. Thank you. 😊
